

ROLTA Launches New Solutions and Services Focused on Oil & Gas and Alternative Energy Sectors

Strengthens Global Capabilities for Upstream and Midstream Oil & Gas

Mumbai, November 30, 2011 - In keeping with Rolta's focus on providing enterprise-level solutions that are built around Rolta's intellectual property, Rolta[®] International announced today that it has added a new set of solutions and services to its portfolio of offerings that integrates the Rolta OneView[™] Operational Analytics suite with software from P2 Energy Solutions (P2). Based in Denver, P2 provides software to more than 1,000 organizations in upstream and mid-stream oil & gas sectors as well as the alternative energy sector. P2 Solutions include financial and accounting management software, geospatial data, land asset management tools and well lifecycle management, and lend themselves well to leverage the value offered by Rolta's portfolio, thereby enhancing the return on customers' investments in these technologies.

"This new capability around P2 supports Rolta's vision for the energy sector. It deepens our capabilities within the Oil & Gas market and is very complementary to our current solutions for this market," said John Senatore, Executive Vice President at Rolta. Speaking on the occasion, Ben Eazzetta, President of Rolta International added, "Rolta has a significant track record in the Oil & Gas sector across the globe. We now look forward to leveraging our new capabilities around P2 in Upstream and Midstream Oil & Gas sectors in all of our key geographic markets. We believe that the combination of P2 capabilities with the operational analytics capabilities of OneView will offer unprecedented opportunities to owner-operators to streamline operations, reduce cost and mitigate risk."

Rolta also announced today that Oil & Gas industry veteran, Jan Hackett, has joined Rolta to manage Rolta's P2 practice. Previous to Rolta, Ms. Hackett was the Program Director of CSC's P2 application solutions practice. Prior to CSC, Ms. Hackett was a senior manager at P2 and also held practice and program leadership roles at Oracle.

These announcements coincide with "Ascend 2011", P2's annual user group meeting which is being held in San Antonio up to December 2nd. Rolta's P2 practice is participating in the event and can be found in booth 208 in the event's exhibition hall.

About ROLTA: Rolta is a leading provider of innovative IT solutions for many vertical segments, including Utilities, Governments, Transportation, Process, Power, Banking and Insurance.
